

HAWKER  PACIFIC
AIRCRAFT CHARTER

Beechcraft King Air B200

Hawker Pacific Aircraft Charter is proud to announce the addition of a **Beechcraft King Air B200** to our ever growing charter fleet.

The King Air B200 is ideally suited for executive charters (up to 1600nm), and operates with one or two pilots. Capable of transporting up to 11 passengers makes it **one of the most economical turbo prop aircraft around** saving you both valuable time and money. "The ideal intercity commuter!"

Boasting generous cabin seating, the advanced Beechcraft King Air B200 offers more passenger comfort and great performance. With comfortable cabin facilities, and advanced avionics, the King Air B200 represents great charter value. Providing executive amenities - including lavatory, galley and surprisingly large baggage capacity. The King Air B200 is the perfect aircraft for business travel within Australia.
